REVEAL  
Christ's  
LOVE

This weekend our parish will take up The Catholic Relief Services Collection. Funds from this collection provide food to the hungry, support displaced refugees, and bring Christ's love and mercy to vulnerable people here and abroad. Please give generously.

## Scriptural Stations This Friday

The Becoming Catholic Team is sponsoring the Stations this Friday, March 15, using a Scriptural Way of the Cross introduced by St. John Paul II and approved for public use by Pope Benedict XVI. In this service, each station is based on a Gospel passage describing Christ's Passion. All are welcome to come and reflect more deeply on the Scriptural accounts of Christ's redemptive action.

A soup supper will follow in the church hall after the Stations. Cooks are welcome to bring a meatless soup or casserole to share.

## Prayers for Our Elect

This Sunday, we celebrate the second set of prayers for our Elect, Amy Murray, as part of her preparation for the Easter Sacraments. As she nears the climax of her faith journey, our community prays that God will strengthen Amy against any temptation to stray from that path. Please keep Amy in your prayers throughout the rest of the Lenten Season, that she may continue to be blessed and strengthened by God.

## THE FOURTH SUNDAY OF LENT

**THE KNIGHTS  
OF COLUMBUS**  
IN SERVICE TO ONE. IN SERVICE TO ALL.

### Blood Drive on Thursday

The Knights are sponsoring a blood drive this Thursday, March 14, 12:30 to 5:00 PM, in the church hall. To donate blood, please make an appointment online at [www.redcrossblood.org](http://www.redcrossblood.org). If you'd like to help check donors in at the site, please call Bob Chapman at 603-630-0874.

### Knights Welcome Help with Parish Dinner

Our Belmont Knights will staff the parish's Spaghetti Dinner this Saturday, 3/16, and we welcome any volunteers to join us. If you'd like to help with kitchen activities, set-up, or clean-up, please contact Grand Knight Aaron Clark at 603-728-5136 by Thursday

### Old Testament Wisdom Literature

At our March meeting, Council Lecturer Don Roberts began a new series of presentations with an overview of the Wisdom Literature in the Old Testament. These books typically do not refer to God's covenant with Israel or the historical events under Israel's kings. Rather than stressing religious practices or Jewish history, they present general instruction on living a good life. These writings generally were composed after the Babylonian Exile, from the Fifth to the First Century B.C.

A handout on the presentation is posted on our bulletin board in the church hall and is available on our Council website ([belmontknights.org](http://belmontknights.org)). The homepage has a link to the latest handout and you can find previous topics in the "Newsletter Library" section. We invite all our parishioners to share in this and many other faith-oriented resources on our website.

### Pray the Rosary with the Knights

Providing another Lenten prayer opportunity, the Knights will lead a Scriptural Rosary in church at 5:30 PM each Wednesday during Lent, before the Mass. All are welcome to join in!

### Apply Now for Belmont K of C Scholarship

College-bound students – whether new or returning – who are in a Knight's family may apply for a scholarship during March and April. The Belmont Council is offering up to three \$400 scholarships to help member Knights with higher education expenses for themselves and family members. Active members, their spouses and dependents may apply – forms and additional details are available on our Council website, [belmontknights.org](http://belmontknights.org).

## LET'S BUILD A CULTURE OF LIFE

**HUMAN EMBRYOS HAVE RIGHTS** – The Supreme Court of Alabama issued a ruling in February that frozen human embryos conceived by IVF (in vitro fertilization) are children with human rights, including the right to life, under their state law. In 2018 a

Constitutional Amendment was adopted which applies to all children, born and unborn, without limitation and regardless of their location. As a result of this ruling, three couples whose frozen embryos were destroyed, when a wandering hospital patient dropped the specimens, can sue for wrongful death.

Alabama's view of the sanctity of life encompasses the following — "God made every person in His image; each person therefore has a value that far exceeds the ability of human beings to calculate; and human life cannot be wrongfully destroyed without incurring the wrath of a holy God, who views the destruction of His image as an affront to Himself." (Source: Live Action)

**IS IVF MORALLY WRONG?** Many couples struggle to have a child, and initially IVF might sound like a good idea. After all, we are pro-life and pro-family. However, IVF is wrong for two primary reasons. (1) With IVF, life begins in a petri dish in a lab where the wife's eggs and husband's sperm create a human being, infused with a soul. It separates the pro-creative act from the unitive nuptial act as God designed. (2) Typically multiple embryos are created. Sometimes only the strong or those of a specific sex are selected—this is basically eugenics which itself is wrong. Another moral dilemma is what will be done with the unused embryos that are often indefinitely left frozen in a vault? A child is a gift from God and is not a piece of property, but a life to be respected from the moment of conception. (Source: Dr. Taylor Marshall) Fertility Care is now available at St. André Bessette Parish. It can help couples in many areas, including infertility. Call Kathleen at (603) 530-1757.

## 4th Sunday of Lent

Our national pastime isn't baseball. It's what the Bible calls "condemning the world." We generally enjoy pronouncing curses upon those whom we see as trouble, wrong, or evil. Don't believe me? Listen to almost any podcast, cable news network, or social media platform to hear it. It will be

some version of: "We all agree that if *they* are eradicated, things will be great." Condemning is almost always clothed in virtue. It basks in its good intentions. That's why it is so attractive. Condemning seems like our best path to saving what is good.

What a shock, then, to hear Jesus announce: **"For God did not send His Son into the world to condemn the world, but that the world might be saved through him" (Jn 3:17).** He comes to save the world, as we all want, but he will accomplish it *without an act of condemnation*. How hard it is to accept this! Condemning feels godlike. I judge who and what must be lost to protect the good. But in the light of Jesus' endless mercy and love, this is the *least* godlike thing we can do.

**Lenten challenge:** This week, I invite you to give up the delicious experience of condemning whomever in the world you most would like to see gone. Perhaps write down their names. Secondly, I invite you to consider fasting from any media that feeds the tasty but deadly tendency to condemn.

— Father John Muir ©LPi

*Support Christian families in the Bethlehem and Jerusalem area.*

Beautiful hand-made olive wood religious articles made by Christian families in Bethlehem and Jerusalem will be on display on the 16<sup>th</sup> and 17<sup>th</sup> of March after all Masses. Holy Land Bethlehem Artworks is an organization that provides assistance to over 100 suffering families each week. Handmade rosaries, statues, crosses and nativities will make wonderful presents for family and friends; or an opportunity to add a beautiful hand carved religious item for your home to be cherished through generations. The religious articles are made by the suffering Christian families in the Holy-Land, and are their means of spreading the word of Jesus, a goal that began two thousand years ago. The population in the Holy Land has dropped from over 65% to under 1% just within the last ten years. **Crafting the religious articles is the primary means for providing for the livelihood of Christian families in the Holy Land.**
