How are you being called to help with this parish event?

Oh so many ways.....

- we are still in need of someone to assist with sign placement and electric sign advertising
- leadership in the children's area
- help with set up
- help with take down, clean up
- Raffle 50/50

This year it was decided to forgo the cash raffle in favor of a 50/50 drawing, drawn at the end of the second day of the fair. Tickets will be sold both days of the fair.

Bakers - we are looking to offer quick breads and cookie trays (pre-sold for pick up at Thanksgiving and Christmas) in addition to our regular bakery table items. We hope to find bakers willing to make quick breads for Thanksgiving and dozens of cookies for the trays to be delivered prior to Christmas. Please contact Janice if you are able to assist with either of these offerings.

Crafter-we hope you have lots of creations packed away over the last year to feature in our craft area! Mary and Sandy are ready to start accepting your creative works and plan for great display/presentation.

We will be collecting your unused and unwanted jewelry, books, DVDs, puzzles and Christmas decorations. Baskets are located in the Narthex and in the parish hall to collect those items. It is not too soon to be cleaning out and donating them!

This week you will notice the trees in the Narthex for needed items for both the penny sale baskets and silent auction items. If you take a tag the item can be returned to the basket/boxes in the parish hall and narthex anytime. We will begin building baskets soon.

Because so many of the businesses who have donated to us in the past are just coming out of the year plus long struggle financially, the Fair committee has decided not to ask them for donations, but for us as a parish to help support them in coming back by purchasing certificates or items from them and donating them to the auction. If you are able to assist with this act of kindness, purchase something from a favorite local business and tell them it is for our Fair!! Items or certificates can be placed in the provided baskets or given to one of the committee members, please include the business the item was purchased from.

We thank you for your thoughtfulness and generosity.

Together we can make this a fun, safe, community building and successful event!
