

Fair News 2023

Belmont Old Home Day Picture This!

St. Joseph Church parish hall as a cooling station, offering ice cream sundaes, special preview of "new" items for sale and a variety of silent auction items at the Belmont Old Home Day, Sat. August 12, 2023.

Our Crafts, Books, Jewelry, Blossom & Bird Garden Center and Silent Auction tables will be open for business.

In preparation for this event we are now accepting donations for these tables. The garden center will be accepting new and good used items for the garden and birds. Don't forget jewelry, books, summer auction items and of course awesome craft items !

Please leave donations in the parish hall in the marked boxes or on the marked table.

Don't forget to stop by on Aug 12 and check out a good book for summer reading, new craft items, garden accessories, great jewelry deals and of course silent auction items: Looking forward to some great summer gift items, gift certificates and opportunities to learn a new skill or experience! How about an evening boat ride on Lake Winnisquam!

Our *Christmas In the Village Fair* in November is in NEED of an individual or team of people to take leadership roles.
