

Fair News 2023

Belmont Old Home Day Picture This!

St. Joseph Church parish hall has a cooling station, offering ice cream sundaes, special preview of "new" items for sale and a variety of raffle items at the Belmont Old Home Day, Sat. August 12, 2023.

Our Crafts, Books, Jewelry and raffle tables will be open for business.

In preparation for this event, we will begin accepting donations for these tables in the boxes in the parish hall beginning June 1st.

Our *Christmas In the Village Fair* in November is in NEED of an individual or team of people to take leadership roles.

Christmas Loft -
Assistants for Penny Sale
Assistant for Jewelry
Assistant for Books, etc
Dining room help
Assistant for Greeters

We are always looking forward to the creative craft items of our AMAZING parish artisans! Keep working on them and sharing with
Mary Lacroix.

We would love to post pictures to the website!

This year, 2023, Steve and I are hoping to be able to turn over the leadership of the fair to another person or team at the end of the fair.

Please, pray about these awesome opportunities to give to St. Joseph Parish.

It never needs to be a life time commitment!

It is a GREAT way to meet new parishioners and orchestrate a fantastic Parish Event!

Peace & Blessings
Karen & Steve Ober
